

The UK Collaborative Plan for Pro Bono (the Plan) is a profession-led initiative. Its membership comprises law firms in the UK with a strong institutional commitment to pro bono and access to justice. Member firms collaborate to improve access to justice in the UK through pro bono, including by developing systems and infrastructure to enable pro bono services to be effectively delivered to address unmet legal need.

The Plan's aspirational target is that lawyers at each member firm carry out (on average) 25 hours' pro bono work annually. This infographic relates to pro bono work carried out in 2023 by 78 of the Plan's member firms.
